

## **Recital 2016 Rehearsal and Show Drop Off / Pick Up Information**

The DAG 7:00 pm show rehearses on Tuesday May 10. **ALL Preparatory** level classes rehearse on Tuesday May 10, even if they are in the DEE cast, their **rehearsal** is on Tuesday May 10.

DAY OF SHOW we will have all DAG cast dancers dropped off at 6:00 pm in the designated drop off area if they are not already in the arena from the earlier show. \*Maps for drop off locations will be provided closer to show date.

The DEE 3:00 pm show rehearses on Saturday May 14 prior to the performance, with the exception of Preparatory level dancers who will have rehearsed on Tuesday evening. You will drop off dancers at the specific times indicated below and pick them up at time below, either at intermission or end of show see your specific pick up time below.

It is important that you find **all** of your child's classes to ensure they are here for the specific drop off times needed for specific classes. Jazz, Tap and ballet classes might be in different scenes making drop off times different for each class.

The day of the recital you may send a lunch/snack with your dancer if they are here for the first show. Remember only water or clear drinks and no messy food. Heat up is not an option. Dancers will eat between their rehearsal and the 3:00 show start. We will not be able to have food delivered or dropped off for students. Students may not be picked up for lunch. We will have one drop off and pick up time for the dancers in this show to ensure dancer safety.

If you have a Preparatory, Intermediate, or Advanced level dancer who is in both shows we understand they will be at the arena for a very long day. They will have the ability to walk with their dressing room helper into the concourse at the end of the 3:00 pm show and purchase food for a dinner from the various vendors in the arena concourse prior to the start of the 7:00 show.

We will have volunteers serve as Dressing Room Helpers (DRH). You will sign up via Sign Up Genius. To ensure best use of volunteers time you **must** be able to attend both the rehearsal and performance with your group. If you cannot attend both we will have another volunteer serve who is able to attend all days.

We will have a volunteer orientation for all DRH on Monday May 2 10 am or 6:30 pm. You only need to attend 1 of the times listed above to pick up your credentials, t-shirt and tour the facility to become familiar with your role and duties as DRH.
